DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This simple one-story frame church is one bay wide by three bays deep, and rests on a high concrete-block foundation facing east. A gabled vestibule projects from the east gable front; the paneled double doors are surmounted by a stained-glass transom bearing the name of the church. The three bays of the north and south facade are defined by large stained-glass windows of simple design over sash windows at basement level. A two-bay shed-roofed addition lighted by small clear glass 1/1 sash rests on a cinderblock foundation to the rear. The building is clad in novelty siding, with standing-seam metal covering the main roof and asphalt shingles on the roofs of the vestibule and addition. A cemetery surrounds the church in a wooded setting.
